When only the best will do

Dear Exhibitor

Welcome to the show and thank you for the support.

We hope you and your exhibit/s will have a good day and enjoy the interaction with peers and feline friends.

If this is your first experience of an Independent show, herewith a few practical tips:

You can bench anywhere you like in the designated area, or leave your cats in their cages from the previous show. There are no reserved spaces. You are responsible for your cats throughout the day, including the litter tray, water and food, as well as handling and presentation. You may display any information or promotional material about your cat, breed, cattery, etc., but not any promotional material or brand names of competitors of our sponsors for the day.

In your envelope, you have

1. A catalogue. This indicates how your cat is entered in the standard classes. It also indicates the judge who will be expecting your cat on the table. Please familiarize yourself with the number of your cat and listen out for this number which may be called during the day, or during Best on Show. If a cat is called and there is no response within two minutes, the cat may be considered absent.
2. Two sets of number cards. The card with your name should be prominently displayed on the cage throughout the day to make the cat and cage instantly recognizable during the entire proceedings. The card without an identifying owner's name should be worn prominently displayed whenever your cat is presented for judging in the standard classes, Best in Show or photographing. Not wearing the correct number with the correct cat may lead to judging error and your cat may loose out. Slide the card into the clip-on badge from the bottom. Part of the card will protrude from the plastic at the bottom.
3. Due to the lack of stewards, exhibitors have to be alert and ensure that your cat gets to the judges table on time. Check at the judge's table early on during the show to estimate where your exhibit is on the list and approximately when it will be expected. You, or a representative appointed by yourself, must present the cat, as there are not enough stewards to handle the cats.
4. **Please advise the judge if a cat is absent or withdrawn.** Do not inform the show manager only – the judge should personally delete the number from the list, to prevent the steward trying to locate a cat and exhibitor.
5. A judge may correct any errors on the judging sheet, but may not change the exhibit number on the sheet.
6. It is your responsibility to know which awards (titles) were given to your cat, by which judge. The judge does not know this. **If a judge has already awarded a particular title certificate to your cat, please alert the judge that it is necessary to get a second judge's signature on the show report/award, otherwise the award will not be valid.**
7. Please take all your refuse with you and ensure that the benching area is clear and clean before you leave after the show. Anything not cleared by you will have to be cleared by a very weary and un-paid show manager personally.

# THE SHOW SYSTEM EXPLAINED

The Independent clubs in South Africa use the same system and titles as the WCF, Fife and European Independent clubs. This is an international system, requiring travel to different countries/regions/provinces to attain titles higher than Champion/Premiers. Many exhibitors find it difficult and expensive to travel to different regions within South Africa. For this reason the WCF affiliate, CASA introduced a unique system of "South African National Titles", not unlike the national titles awarded in countries like Israel and the LOOF in France. This means exhibitors have the choice of either pursuing International titles for their cats, or National titles, giving cats of high quality the recognition they deserve in the form of formal titles, even if only competing within their own region. National titles are only recognized within South Africa, but will be indicated on the pedigrees of any exported offspring. A cat wanting to follow an International career up to the title of World Champion will have to remain on the International option of titles and follow through with these rules. AICA recognizes these titles reciprocally, as do the other Independent clubs in South Africa.

**The International and National titles are won according to the following guidelines and rules:**

**Kitten Champion/Premier** – 3 CACP/CAPP at national or international shows from 3 different judges. 90 points required for this award. (Kittens 3 -6 months)

**Junior Champion/Premier** – 3 CACJ/CAPJ at national or international shows from 3 different judges. 90 points required for this award. (Juniors 6 – 10 months)

**Champion/Premier** – 3 CAC/CAP at national or international shows from 3 different judges. 93 points required for this award.

**International Champion/Premier** – 3 CACI/CAPI at 3 international shows from 3 different judges in 2 different countries or regions. 95 points required for this award.

**National equivalent: SA Grand Champion/Premier** – 3 CACI/CAPI at 3 national or international shows from 3 different judges. 95 points required for this award.

**Grand International Champion/Premier** – 3 CAGCI/CAGPI at 3 international shows from 3 different judges in 2 different countries or regions. 97 points required for this award.

**National equivalent: SA Double Grand Champion/Premier** – 3 CAGCI/CAGPI at 3 national or international shows from 3 different judges. 97 points required for this award.

**European or Continental Champion/Premier** – 3 CACE/CAPE at 3 international shows from 3 different judges in 3 different countries. 97 points required for this award

**National equivalent: SA Triple Grand Champion/Premier** – 3 CACE/CAPE at 3 national or international shows from 3 different judges. 97 points required for this award

**Grand European or Continental Champion/Premier** – 3 GCACE/GCAPE at 3 international shows from 3 different judges in 3 different countries. 98 points required for this award.

**National equivalent: Supreme Champion/Premier** – 3 GCACE/GCAPE at 3 national or international shows from 3 different judges. 98 points required for this award.

**Double Supreme Champion/Premier** – 6 GCACE/GCAPE at 6 national or international shows from 6 different judges. 98 points required for this award.

**Triple Supreme Champion/Premier** – 9 GCACE/GCAPE at 9 national or international shows from 9 different judges. 98 points required for this award.

(CACM/CAPM certificates needed for the World Champion/Premier title can only be awarded at WCF shows.)
