When only the best will do

Dear Exhibitor

Welcome to the show and thank you for the support.

We hope you and your exhibit/s will have a good day and enjoy the interaction with peers and feline friends.

If this is your first experience of an Independent show, herewith a few practical tips:

You can bench anywhere you like in the designated area. There are no reserved spaces. You are responsible for your cats throughout the day, including the litter tray, water and food, as well as handling and presentation. You may display any information or promotional material about your cat, breed, cattery, etc., but not any promotional material or brand names of competitors of our sponsors for the day.

In your envelope, you have

1. A catalogue. This indicates how your cat is entered in the standard classes. It also indicates the judge who will be expecting your cat on the table. Please familiarize yourself with the number of your cat and listen out for this number which may be called during the day, or during Best on Show. If a cat is called and there is no response within two minutes, the cat may be considered absent.
2. Two sets of number cards. The card with your name should be prominently displayed on the cage throughout the day to make the cat and cage instantly recognizable during the entire proceedings. The card without an identifying owner's name should be worn prominently displayed whenever your cat is presented for judging in the standard classes, Best in Show or photographing. Not wearing the correct number with the correct cat may lead to judging error and your cat may lose out. Slide the card into the clip-on badge from the bottom. Part of the card will protrude from the plastic at the bottom.
3. Due to the lack of stewards, exhibitors have to be alert and ensure that your cat gets to the judges table on time. Check at the judge's table early on during the show to estimate where your exhibit is on the list and approximately when it will be expected. You, or a representative appointed by yourself, must present the cat, as there are not enough stewards to handle the cats.
4. **Please advise the judge if a cat is absent or withdrawn.** Do not inform the show manager only – the judge should personally delete the number from the list, to prevent the steward trying to locate a cat and exhibitor.
5. A judge may correct any errors on the judging sheet, but **may not change the exhibit number** on the sheet.
6. It is your responsibility to know which awards (titles) was given to your cat, by which judge. The judge does not know this. **If a judge has already awarded a particular title certificate to your cat, please alert the judge that it is necessary to get a second judge's signature on the show report/award; otherwise the award will not be valid.**
7. Please take all your refuse with you and ensure that the benching area is clear and clean and that any borrowed cages are clean, folded, and stacked before you leave after the show. Anything not cleared by you will have to be cleared by a very weary and un-paid show manager personally.

About the DURBAN CAT CLUB

<http://durbancatclub.weebly.com/>

Presently.

The Durban Cat Club is a well established group of cat enthusiasts in Kwazulu-Natal. The Natal Siamese and Oriental Group has been in existence since 1997 and was affiliated to the Southern Africa Cat Council until 2013, when it de-affiliated. During this time it staged one SACC show under the auspices of the Persian Cat Society. After de-affiliation, the NSOG remained an independent entity until July 2014, when the committee voted unanimously to change the name to the Durban Cat Club. The first Independent show was successfully held on 20 July 2014. The aim of the group is to support breeders and cat lovers, promote the love and welfare of cats in various ways, including cat shows, exhibitions and charity events. South Africa has several Independent Cat Clubs, although it is still a foreign concept to some. More information about the Independent Cat Clubs is available on the website of the OSRBG.

<http://osrbg.weebly.com/independent-cat-clubs---south-africa.html>

The past.

The previous footer of the NSOG correspondence says it all. The only two changes are the fact that it is no longer affiliated to SACC and that the name has changed to prevent any perception that only Siamese and Oriental breeds are supported and promoted.

We are an established club affiliated to the Governing Council of the South African Cat Council.

Whilst we have a particular interest in the Siamese and Oriental breeds, we welcome Cat Lovers of All breeds to join us to promote a greater appreciation and knowledge of all cats – pedigree or otherwise and that includes moggies. We aim to cultivate friendship, mutual support and advice amongst all owners and breeders.

Newsletters via email, reporting on all cat related matters and functions, encouraging the sharing of ideas, anecdotes, remedies and other relevant matters in a spirit of fun and co-operation will be available periodically.

About the SAC@TS BREEDERS GROUP

Sac@ts Breeders group was one of the first Breeders Groups to affiliate to the Southern Africa Cat Council.

It represented all breeds of registered cats and their breeders, but concentrated on representing the rarer breeds, without any specific group of their own. It also started the first internet chat groups relating to cats in South Africa. Members of the group had to be members of the internet group.

It staged several SACC shows over the years under the auspices of the ALL BREEDS CAT CLUB and the EASTERN PROVINCE CAT CLUB.

The rules and sentiments in SACC changed to such an extent over the years, that by 2013 Breeders Groups became obsolete for practical purposes. SAC@TS proposals and votes made no impact or difference in the represented breeds for a few years preceding 2013 and the membership dwindled to below the minimum number required to retain the affiliation with SACC, according to the Breed Group Rules and Constitution. SAC@TS was forced to de-affiliate from SACC in July 2013. The remaining members were unanimous in the decision that the group should not dissolve, but remain active as an Independent club.

Sac@ts has staged several successful independent shows in the conventional, as well as ring format.

AICA was the first group to hold Independent shows in South Africa. All the Independent shows follow the same structure and rules, so reading the AICA summary explains the concept of an Independent club and shows.

The African Independent Cat Association was formed on 10 August 2010 as an Independent Organization with the following missions:

1. To be an Independent Organisation from Africa, for Africa organising Cat Shows without the restrictions of International rules not practical or relevant to the local conditions.
2. To co-operate with all existing Cat Organisations, while retaining independence.
3. To use the show and title system of Fife, WCF and European Independent clubs and recognise all titles and certificates from any organisation using the same titles.
4. To recognise judges with verifiable qualifications from all international- and national cat organisations.
5. To use all income from shows and other sources to improve cat shows and promote cats in general, without the need to spend large amounts on affiliation-, licensing- or other fees.
6. To recognise exhibitors as informal members of the club, without the need for membership fees.
7. To explore alternative ways of promoting cats and cat shows, which would be difficult for the larger organizations due to restrictive rules.
8. To recognise and regard South African Provinces as regions equivalent to countries for show purposes and to recognise WCF Regions in other countries as equivalent to countries for show purposes.

FAQ

1. *What is an Independent club?*

It is the original format of cat clubs, especially successful in Europe, where the club is autonomous in all respects. It does not belong to a governing body and does not pay affiliation fees or subscribe to the rules and constitution of a governing body on a national or international basis. Some of the largest clubs in Europe are independent.

2. *Is the "pie" in the South African Cat fancy big enough for yet another club to want a slice?*

CLASA does not want to have a slice or compete with the other clubs. It rather wants to add a dollop of cream if it is a sweet pie or some gravy if it is a savoury pie. The idea is to enhance and compliment, not compete.

3. *Why Independent and not TICA, CFA, etc.?*

An independent club has a lot of options and freedom to explore, without the restrictive rules of an International body, which sometimes are not relevant or realistic in our country and costs nothing in affiliation -, show license -, meeting attendance -, etc. fees.

4. *Is CLASA setting up a register?*

There are three cat registering bodies in South Africa, covering all breeds of cat, for practical purposes – there is no need for an Independent Register. Independent clubs can accept cats registered anywhere.

5. *What about judges training?*

Independent Judges in Europe take 100% responsibility for their own training, unless they belong to an Independent Guild. They have to arrange their training and examinations with other independent judges. It is a long and tedious process, usually done breed by breed and in a very loosely defined fashion. It is neither practical nor advisable to do this in South Africa. There are no independent judges in our country with whom to train anyway.

6. *What is the association with Fife and WCF?*

There is no association, apart from the fact that the same title structure is followed and as such titles and title certificates from Fife, WCF and other Independent Clubs following the same title structure can be recognised reciprocally. CFSA, SACC, ACFA, TICA, CFA, UFO, ACF, CCCA, NZCF, etc. titles and certificates follow different systems and can therefore not be recognised for a cat's show career. Fife & WCF judges licenses are recognised, as are all other verifiable judges qualifications.

7. *What standard will judges use?*

The standards are pretty universal these days. Cats are judged in colour, pattern, etc. classes as per WCF/Independent convention. The standard of the organisation of origin (where the cat was first recognised) is the preferred one.

8. *I still don't get it – what is the advantage of an Independent club over a WCF club or –subclub, for example?*

Firstly, WCF international shows need 80 cats entered on a show – something which is very difficult to guarantee in smaller centres and other neighbouring countries.

Secondly, a cat can only receive one title certificate at a WCF show per day. A different show on the same day gives the exhibitors, the stewards and student judges a second opportunity. This makes a lot of sense when we consider the long distances travelled to shows in our country.

9. *What's to stop lots of other Independent Clubs from starting up and opening the flood gates, turning the cat fancy into a "free for all"?*

Nothing. Hopefully there will be other Independent clubs, with the same idea – to enhance, rather than to compete, with steering committees investing their energy and time into positive development, rather than fighting. Clubs not delivering the goods will simply not be supported and will die a natural death. There are now several other independent clubs in South Africa. Further information is available on the website: <http://osrbg.weebly.com/independent-cat-clubs---south-africa.html>

THE SHOW SYSTEM EXPLAINED

The Independent clubs in South Africa use the same system and titles as the WCF, Fife and European Independent clubs. This is an international system, requiring travel to different countries/regions/provinces to attain titles higher than Champion/Premiers. Many exhibitors find it difficult and expensive to travel to different regions within South Africa. For this reason the WCF affiliate, CASA introduced a unique system of “South African National Titles”, not unlike the national titles awarded in countries like Israel and the LOOF in France. This means exhibitors have the choice of either pursuing International titles for their cats, or National titles, giving cats of high quality the recognition they deserve in the form of formal titles, even if only competing within their own region. National titles are only recognized within South Africa, but will be indicated on the pedigrees of any exported offspring. A cat wanting to follow an International career up to the title of World Champion will have to remain on the International option of titles and follow through with these rules. All the Independent clubs in South Africa recognize these titles reciprocally.

The International and National titles are won according to the following guidelines and rules:

Kitten Champion/Premier – 3 CACP/CAPP at national or international shows from 3 different judges. 90 points required for this award. (Kittens 3 -6 months)

Junior Champion/Premier – 3 CACJ/CAPJ at national or international shows from 3 different judges. 90 points required for this award. (Juniors 6 – 10 months)

Champion/Premier – 3 CAC/CAP at national or international shows from 3 different judges. 93 points required for this award.

International Champion/Premier – 3 CACI/CAPI at 3 international shows from 3 different judges in 2 different countries or regions. 95 points required for this award.

National equivalent: SA Grand Champion/Premier – 3 CACI/CAPI at 3 national or international shows from 3 different judges. 95 points required for this award.

Grand International Champion/Premier – 3 CAGCI/CAGPI at 3 international shows from 3 different judges in 2 different countries or regions. 97 points required for this award.

National equivalent: SA Double Grand Champion/Premier – 3 CAGCI/CAGPI at 3 national or international shows from 3 different judges. 97 points required for this award.

European or Continental Champion/Premier – 3 CACE/CAPE at 3 international shows from 3 different judges in 3 different countries. 97 points required for this award

National equivalent: SA Triple Grand Champion/Premier – 3 CACE/CAPE at 3 national or international shows from 3 different judges. 97 points required for this award

Grand European or Continental Champion/Premier – 3 GCACE/GCAPE at 3 international shows from 3 different judges in 3 different countries. 98 points required for this award.

National equivalent: Supreme Champion/Premier – 3 GCACE/GCAPE at 3 national or international shows from 3 different judges. 98 points required for this award.

Double Supreme Champion/Premier – 6 GCACE/GCAPE at 6 national or international shows from 6 different judges. 98 points required for this award.

Triple Supreme Champion/Premier – 9 GCACE/GCAPE at 9 national or international shows from 9 different judges. 98 points required for this award.

Honour Class – Any cat with the Tr Sup Ch/Pr title can participate in the Class of Honour. If it is awarded the HP, it automatically competes with all the other nominated cats for Overall Best Cat on show.

(CACM/CAPM certificates needed for the World Champion/Premier title can only be awarded at WCF shows.)
