Dear Exhibitor

Welcome to the show and thank you for the support.

We hope you and your exhibit/s will have a good day and enjoy the interaction with peers and feline friends.

If this is your first experience of an Independent show, herewith a few practical tips:

You can bench anywhere you like in the designated area. There are no reserved spaces. You are responsible for your cats throughout the day, including the litter tray, water and food, as well as handling and presentation. You may display any information or promotional material about your cat, breed, cattery, etc., but not any promotional material or brand names of competitors of our sponsors for the day.

In your envelope, you have

1. A catalogue. This indicates how your cat is entered in the standard classes. It also indicates the judge who will be expecting your cat on the table. Please familiarize yourself with the number of your cat and listen out for this number which may be called during the day, or during Best on Show. If a cat is called and there is no response within two minutes, the cat may be considered absent.
2. Two sets of number cards. The card with your name should be prominently displayed on the cage throughout the day to make the cat and cage instantly recognizable during the entire proceedings. The card without an identifying owner's name should be worn prominently displayed whenever your cat is presented for judging in the standard classes, Best in Show or photographing. Not wearing the correct number with the correct cat may lead to judging error and your cat may loose out. Slide the card into the clip-on badge from the bottom. Part of the card will protrude from the plastic at the bottom.
3. Due to the lack of stewards, exhibitors have to be alert and ensure that your cat gets to the judges table on time. Check at the judge's table early on during the show to estimate where your exhibit is on the list and approximately when it will be expected. You, or a representative appointed by yourself, must present the cat, as there are not enough stewards to handle the cats.
4. **Please advise the judge if a cat is absent or withdrawn.** Do not inform the show manager only – the judge should personally delete the number from the list, to prevent the steward trying to locate a cat and exhibitor.
5. A judge may correct any errors on the judging sheet, but may not change the exhibit number on the sheet.
6. It is your responsibility to know which awards (titles) were given to your cat, by which judge. The judge does not know this. **If a judge has already awarded a particular title certificate to your cat, please alert the judge that it is necessary to get a second judge's signature on the show report/award, otherwise the award will not be valid.**
7. Please take all your refuse with you and ensure that the benching area is clear and clean before you leave after the show. Anything not cleared by you will have to be cleared by a very weary and un-paid show manager personally.

## About SACATS

Sac@ts Breeders group was one of the first Breeders Groups to affiliate to the Southern Africa Cat Council.

It represented all breeds of registered cats and their breeders, but concentrated on representing the rarer breeds, without any specific group of their own.

The rules and sentiments in SACC changed to such an extent over the years, that by 2013 Breeders Groups became obsolete for practical purposes. SAC@TS proposals and votes made no impact or difference in the represented breeds for a few years preceding 2013 and the membership dwindled to below the minimum number required to retain the affiliation with SACC, according to the Breed Group Rules and Constitution. SAC@TS was forced to de-affiliate from SACC in July 2013. The remaining members were unanimous in the decision that the group should not dissolve, but remain active as an Independent club. SACATS then joined forces with the growing number of Independent Cat Clubs in South Africa. This is the club's seventh show and the second Independent show. The FAQ below is from the AICA website.

## FAQ

1. *What is an Independent club?*

It is the original format of cat clubs, especially successful in Europe, where the club is autonomous in all respects. It does not belong to a governing body and does not pay affiliation fees or subscribe to the rules and constitution of a governing body on a national or international basis. Some of the largest clubs in Europe are independent.

2. *Is the "pie" in the South African Cat fancy big enough for yet another club to want a slice?*

AICA does not want to have a slice or compete with the other clubs. It rather wants to add a dollop of cream if it is a sweet pie or some gravy if it is a savoury pie. The idea is to enhance and compliment, not compete.

3. *Why Independent and not TICA, CFA, etc.?*

An independent club has a lot of options and freedom to explore, without the restrictive rules of an International body, which sometimes are not relevant or realistic in our country and costs nothing in affiliation -, show license -, meeting attendance -, etc. fees.

4. *Is AICA setting up a register?*

There are three cat registering bodies in South Africa, covering all breeds of cat, for practical purposes – there is no need for an Independent Register. Independent clubs can accept cats registered anywhere.

5. *What about judges training?*

Independent Judges in Europe take 100% responsibility for their own training, unless they belong to an Independent Guild. They have to arrange their training and examinations with other independent judges. It is a long and tedious process, usually done breed by breed and in a very loosely defined fashion. It is neither practical nor advisable to do this in South Africa. There are no independent judges in our country with whom to train anyway.

6. *What is the association with Fife and WCF?*

There is no association, apart from the fact that the same title structure is followed and as such titles and title certificates from Fife, WCF and other Independent Clubs following the same title structure can be recognised reciprocally. CFSa, SACC, ACFA, TICA, CFA, UFO, ACF, CCCA, NZCF, etc. titles and certificates follow different systems and can therefore not be recognised for a cat's show career. Fife & WCF judges licenses are recognised, as are all other verifiable judges qualifications.

7. *What standard will judges use?*

The standards are pretty universal these days. Cats are judged in colour, pattern, etc. classes as per WCF/Independent convention. The standard of the organisation of origin (where the cat was first recognised) is the preferred one.

8. *I still don't get it – what is the advantage of an Independent club over a WCF club or –subclub, for example?*

Firstly, WCF international shows need 80 cats entered on a show – something which is very difficult to guarantee in smaller centres and other neighbouring countries.

Secondly, a cat can only receive one title certificate at a WCF show per day. A different show on the same day gives the exhibitors, the stewards and student judges a second opportunity. This makes a lot of sense when we consider the long distances travelled to shows in our country.

9. *What's to stop lots of other Independent Clubs from starting up and opening the flood gates, turning the cat fancy into a "free for all"?*

Nothing. Hopefully there will be other Independent clubs, with the same idea – to enhance, rather than to compete, with steering committees investing their energy and time into positive development, rather than fighting. Clubs not delivering the goods will simply not be supported and will die a natural death. There are several other independent clubs in South Africa. The Cat Lovers Association of South Africa (CLASA), The Nelson Mandela Bay Cat Club (NMBCC), The Oriental, Siamese & Related Breeds Club (OSRBG), Chats du Cap Independent (CDC-I) SAC@TS & The South African Cat Club (SACC).

# THE SHOW SYSTEM EXPLAINED

The Independent clubs in South Africa use the same system and titles as the WCF, Fife and European Independent clubs. This is an international system, requiring travel to different countries/regions/provinces to attain titles higher than Champion/Premiers. Many exhibitors find it difficult and expensive to travel to different regions within South Africa. For this reason the WCF affiliate, CASA introduced a unique system of "South African National Titles", not unlike the national titles awarded in countries like Israel and the LOOF in France. This means exhibitors have the choice of either pursuing International titles for their cats, or National titles, giving cats of high quality the recognition they deserve in the form of formal titles, even if only competing within their own region. National titles are only recognized within South Africa, but will be indicated on the pedigrees of any exported offspring. A cat wanting to follow an International career up to the title of World Champion will have to remain on the International option of titles and follow through with these rules. AICA recognizes these titles reciprocally, as do the other Independent clubs in South Africa.

**The International and National titles are won according to the following guidelines and rules:**

**Kitten Champion/Premier** – 3 CACP/CAPP at national or international shows from 3 different judges. 90 points required for this award. (Kittens 3 -6 months)

**Junior Champion/Premier** – 3 CACJ/CAPJ at national or international shows from 3 different judges. 90 points required for this award. (Juniors 6 – 10 months)

**Champion/Premier** – 3 CAC/CAP at national or international shows from 3 different judges. 93 points required for this award.

**International Champion/Premier** – 3 CACI/CAPI at 3 international shows from 3 different judges in 2 different countries or regions. 95 points required for this award.

**National equivalent: SA Grand Champion/Premier** – 3 CACI/CAPI at 3 national or international shows from 3 different judges. 95 points required for this award.

**Grand International Champion/Premier** – 3 CAGCI/CAGPI at 3 international shows from 3 different judges in 2 different countries or regions. 97 points required for this award.

**National equivalent: SA Double Grand Champion/Premier** – 3 CAGCI/CAGPI at 3 national or international shows from 3 different judges. 97 points required for this award.

**European or Continental Champion/Premier** – 3 CACE/CAPE at 3 international shows from 3 different judges in 3 different countries. 97 points required for this award

**National equivalent: SA Triple Grand Champion/Premier** – 3 CACE/CAPE at 3 national or international shows from 3 different judges. 97 points required for this award

**Grand European or Continental Champion/Premier** – 3 GCACE/GCAPE at 3 international shows from 3 different judges in 3 different countries. 98 points required for this award.

**National equivalent: Supreme Champion/Premier** – 3 GCACE/GCAPE at 3 national or international shows from 3 different judges. 98 points required for this award.

**Double Supreme Champion/Premier** – 6 GCACE/GCAPE at 6 national or international shows from 6 different judges. 98 points required for this award.

**Triple Supreme Champion/Premier** – 9 GCACE/GCAPE at 9 national or international shows from 9 different judges. 98 points required for this award.

(CACM/CAPM certificates needed for the World Champion/Premier title can only be awarded at WCF shows.)

## From Birth to Growth: every step matters...

Royal Canin's Birth and Growth range of diets provide the nutritional answer for all kittens at every stage of their development.

### MILK SUBSTITUTE FOR USE FROM BIRTH TO WEANING

**BabyCat Milk** is a milk replacer formulated as closely to maternal milk as possible, acting as a perfect supplement. Widely used by breeders, **BabyCat Milk** is easy to prepare and comes in a kit containing three sachets of powdered formula, feeding bottle, teats, measuring spoon, and feeding guidelines information.

### FROM WEANING TO 4 MONTHS

**MOTHER & BABYCAT** is perfectly adapted to the crucial stage of weaning. **MOTHER & BABYCAT** has a very small kibble, with a texture that is adapted to the 1st stage kitten's jaw and milk teeth. This facilitates food intake and the switch to solid food. The diet can be rehydrated to ease the transition from mother's milk to solid food.

### FROM 4 TO 12 MONTHS

**KITTEN** is a small kibble adapted for young teeth. It is a diet formulated for the kitten's 2nd stage of growth. It supports digestive health and helps to strengthen their natural immunity.

### FROM 4 TO 12 MONTHS

**Kitten Maine Coon 36**, an exclusive formula with a perfectly adapted energy content and specific ratio of calcium, phosphorus and vitamin D, as well as glucosamine and chondroitin to help sustain joint function during growth. **Kitten Maine Coon** also has a special large shaped kibble suited to their large jaws, encouraging chewing and oral hygiene.

### FROM 4 TO 12 MONTHS

**Kitten Persian 32** has a unique kibble specifically made for the Persian kitten's small, brachycephalic jaw. The formula enhances the natural beauty and colour of their luxurious coats.
